About Rally Cap Couriers

We are focused on serving customers in Berkeley, Oakland and Emeryville. That focus gives us a unique advantage, which we turn into on-time performance. Whether you choose to rely on us for all of your deliveries or just the very important or very urgent, Rally Cap is here to help.

While you could say we are a "startup", we are very experienced, and it shows. We are knowledgeable, friendly and can provide you with delivery solutions. Communication is a key part of our success. Our customers speak to the team on the road, which leads to more accurate communication of deadlines. Our computerized billing is top-notch, and we can customize a reporting and invoicing solution for you as you need it.

Bike service is an effective alternative delivery method for the East Bay -- that was proved by Studebaker's in the 1990's. We're bringing this local service back as a key part of our on-time strategy. In addition to saving natural resources the bike's quickness and versatility are obvious. For deliveries around the Bay, cars and light trucks fill out the roster, giving us the ability to handle all of your deliveries.

Rally Cap is not out to be the biggest courier service... far from it. We are interested in developing a customer base that appreciates quality service and quality people. That's what we offer. Our service area consists of West Berkeley, Downtown Berkeley, Emeryville, West Oakland, North Oakland, and Downtown Oakland. That's it. For this little corner of the world, we can provide an extremely high level of service.

Thanks for taking the time to find out about Rally Cap Couriers. We look forward to providing you with great service!
